Master of Science	2 years	43%	3 years	80%	74%

Time to Degree = of the students who graduated in AY 2019 through 2023, the percent who graduated in the given time

Completion Rate = of the students who started a program in AY 2019 or 2020, the percent who graduated by summer 2023

Students who started the MD/ PhD and PhD programs have not passed the expected length of the program and therefore the completion rate has not been calculated
