Support for your academic success

LEARNING COMMUNITIES

Support student well-being, peer mentoring, and faculty academic advising and coaching.

SPIRAL WEEKS

Promote integration, connection, and student development throughout all phases.

Your **LEARNING COMMUNITY** will become your support system where you will interact with a small group of peers and learning community navigators. This is the place to nurture your adaptive learner skills and obtain academic advising and coaching.

During **SPIRAL WEEKS**, you will create and act on individual development plans for excellence and develop meaningful connections with peers and faculty.

SCHOLARLY PATHWAY

Partner with community mentors for service learning and scholarship.

At **MCW-Central Wisconsin**, **Physician in the Community SCHOLARLY PATHWAY** enables you to individualize your medical training and will link your medical education with the resources and needs of the Central Wisconsin area communities and our partners to promote health in the region. Choosing an internationally-recognized medical education program at **MCW-Central Wisconsin** will prepare you for real-world practice and build a solid foundation for a strong future in medicine.
