Connect, learn and live well with Stargardt Disease!

Join us for the following series as we learn about ways to live successfully with Stargardt Disease (SD):

A Conversation about Stargardt Disease
Tuesdays, September 16 through 30, 2014; 6:00 – 7:30 pm

September 16: Steve Sroka, Foundation Fighting Blindness, will share the latest research on the disease.
September 23: Dr. Kimberly Stepien, MD, the Eye Institute and the Medical College of Wisconsin, will discuss the common causes, risk factors and symptoms of SD and answer questions.
September 30: Attendees will wrap up the series by sharing their experiences and discussing strategies, resources and services that are helpful for living with SD.
