# KALEIDOSCOPE

A RESEARCH FORUM WITH A DIVERSITY LENS

**Taking Care of the Whole Person: Wellness for  
our Students and Healthcare Providers**

CONNECT.

## About the Forum:

Medical students, residents, and attending physicians are known to have higher rates of stress and burnout than the general population which can lead to depressive symptoms and anxiety. Join the discussion about how we can encourage and support our current and future providers in seeking the balance and wellness that they need to be successful personally and professionally.

**Tuesday, March 27, 2018**

**12:00 –1:00 pm**

**MCW Alumni Center**

This research forum will be facilitated by **David Cipriano, PhD, Assistant Professor in Psychiatry and Behavioral Medicine and Director of Student and Resident Behavioral Health and Koenraad De Roo, Student Wellness Coordinator.**

Lunch will be provided beginning at 11:45 am.
