Community Health Advocate Program
Interview Questions

Each interview may last for approximately 30 minutes utilizing questions/scenarios similar to the following:

a) Please describe you main interest in making this commitment.

b) What strengths do you bring to this role?

c) How do you believe you will be viewed by others in the community given your role as a Community Health Advocate?

d) What adjustments might you have to make as a result?

e) Community resident X has just shared with you they cannot afford to pay this month’s rent since they have spent the money on alcohol and other drugs. The manager knows you have been helping resident X. You are asked by the manager what the problem with resident X is. What do you do?

f) Other, as deemed appropriate by member of the selection committee.
