

Report of Dissertation Committee Meeting

Student Name:

Date of Meeting:

Date of Last Committee Meeting:

Part I. State the specific objectives achieved since the last committee meeting in your research program. Relate the completed objectives to those you proposed to complete in your previous report and the specific aims stated in your research proposal. If you were unable to complete a proposed objective, state the reasons(s) why and indicate what the effect may be on your progress toward completing your thesis/research project.

Part II. State the research objectives you propose to complete for your next committee meeting.

Part III. Notes/comments from the meeting (entered at the meeting or typed afterwards if extensive).
