On September 1, 2007, the Healthier Wisconsin Partnership Program (HWPP) commenced its 4th Funding Cycle with the issuance of the Request for Proposals (RFP) for partnership projects. The initial phase of the RFP includes the completion of an electronic Notice of Intent (NOI) for all projects intending to apply for funding. Between September 1 and the NOI deadline of October 1, 25 individuals contacted HWPP requesting partnership facilitation assistance. Of those, 11 resulted in NOI submissions. A total of 98 NOIs were received, 52 Impact projects and 46 Development projects. Two projects were disqualified for reasons related to partnership eligibility.

### NOIs that passed the technical review:

### Geographic emphasis areas:

#### Development Projects

- Anesthesiology
- Emergency Medicine
- Family and Community Medicine (17)
- Medicine (4)
- Orthopedic Surgery
- Pediatric (15)
- Physical Medicine and Rehabilitation
- Population Health, Division of Biostatistics (2)
- Psychiatry and Behavioral Medicine (2)

#### Impact Projects

- Emergency Medicine (2)
- Family and Community Medicine (19)
- Medicine (4)
- Neurology
- Ophthalmology
- Otolaryngology and Communication Sciences
- Pediatrics (15)
- Population Health (2)
- Psychiatry and Behavioral Medicine (6)
- Urology

An approved NOI is a required component for applicants to submit full proposals to HWPP. Typically, several applicants withdraw from the process between NOI and full proposal submission. However, NOI data provides a reliable foundation for full proposal planning and statistics.

* Information provided in this report is based on applicant provided data from Notices of Intent, solely. Statistics based on full proposal submissions will vary.
