Each year the Friends of MCW tally the number of volunteer hours as a way of measuring the service hours we contribute to MCW. The table above can be used to assist you in calculating the number of hours you spent volunteering from 7/1/09 through 6/30/10. Only the totals need to be reported, worksheet does not need to be turned in.

Report hours no later than 7/1/10 to: Patricia Headrick, 262-784-0375 or email the information to gheadr9876@aol.com
