

MEMORANDUM

DATE: April 29, 2008
TO: M3 Students
FROM: Douglas Bower, MD
RE: PDA's

Below is a list of 14 products to be installed on your PDA by **June 13, 2008**. You will be using your PDA and these products during your Transition to Clerkship session and throughout your clinical years. You may download and install these on your PDA at the syncing stations in the Todd Wehr Library. Library staff will also download the products for you. Installation takes approximately 60 minutes and you must be present during installation. Library staff is available Monday – Friday, 1:00-4:00p.m. At other times assistance is available on a first-come, first-serve basis. Call the Todd Wehr Library at 414-456-8300 to see if help is available. Some of the software can be loaded on your PDA on your home PC. These are noted with asterisks.

IMPORTANT NOTE: You must charge your PDA for at least 3 hours before loading any products.

I-Forms – Must be installed on campus.
