Froedtert Hospital Pharmacy Internship Programs

**Froedtert Hospital**
Froedtert Hospital is a 550-bed academic medical center with a level 1 trauma center located in Milwaukee, WI. Froedtert is a nationally ranked as one of “America’s Best Hospitals” by the US News & World Report’s.

**Pharmacy Services**
Froedtert Hospital offers the excitement of working at an academic medical center, where teaching and research are integral to patient care. Clinical inpatient pharmacists are important members of the healthcare team whose responsibilities include completing detailed admission medication histories, pharmacokinetic drug monitoring, rounding with the multidisciplinary team, medication order review, answering drug information questions, teaching students/residents, and discharge medication teaching. The outpatient ambulatory pharmacists provide counseling, medication reconciliation, anticoagulation monitoring and coverage in a variety of ambulatory clinics. Froedtert Hospital pharmacy services have garnered ASHP Best Practice Awards in 2007, 2011, 2013, and 2015. If you are interested in using your skills, growing, learning, and being part of an exceptional pharmacy team that will launch your career in pharmacy, we invite you to apply for the Froedtert Hospital Pharmacy Internship Program.

**Career Planning and Preparation**
The goal of Froedtert’s internship program is to foster the professional development of highly motivated student pharmacists. Our internship training is designed to provide students with the skills necessary to become well-rounded clinical pharmacists. A student pharmacist who has completed a hospital based internship program will have a competitive advantage in the job market upon graduation from pharmacy school, especially if planning to complete a pharmacy residency. Other advantages include:

- Networking opportunities with a variety of healthcare professionals
- Collaborating as part of a multidisciplinary team
- Leadership opportunities within the intern team
- Obtaining career advice from various mentors
- Competitive pay

We encourage you to begin your career planning now by finding valuable information for pharmacy students at the following address:

**Requirements**
No prior experience required

**Intern Responsibilities**
See following pages for details and application instructions

“**The opportunity to intern at Froedtert & the Medical College of Wisconsin, Froedtert Hospital has not only allowed me to evolve as a student pharmacist, but has also given me significant headway in my preparation for residency**”

— Erin McGurty, CUW Class of 2016 and current PGY1 Resident at Froedtert Hospital
