MENTOR THE PHARMACISTS OF THE FUTURE

Drive growth and change in healthcare while educating the next generation of pharmacists as a colleague and MCW Pharmacy Preceptor!

LEARN
Apply classroom knowledge and skills in professional practice through engagement in quality team-based care.

INNOVATE
Bring students into your practice site that can help expand or introduce new services and programs.

ENGAGE
Collaborate with MCW Faculty in opportunities to assist in labs, lectures, workshops and research.

ADVOCATE
Promote the highest quality of care for patients while championing an increased scope of pharmacy practice in the communities you serve.

Integrate students into your practice who are immersed in a 3-year PharmD program located on a renowned academic medical campus.
