

The proposed dissertation or thesis research should be presented to and approved by the Committee then approved by the Program Director and forwarded to gradschool@mcw.edu for the Dean of the Graduate School for final approval prior to initiation of the major portion of the research. Students writing a thesis/dissertation are required to submit this form to the Graduate School by the deadline set by their program. For PhD students, this deadline will occur no later than 18 months prior to the PhD dissertation defense date. **A copy of the proposal presented to the committee must be submitted with this approval form.**
