Bioethics & Medical Humanities Grand Rounds

Ethical Considerations When Caring for the Fetus and Neonate with Trisomy 13 or 18

Speaker: Steven R. Leuthner, MD, MA
Professor
Pediatrics and Bioethics and Medical Humanities
Medical College of Wisconsin

Date: Tuesday, October 17, 2017
Time: 12:00-1:00 P.M.
Location: M2050/M2070, MCW

Upon completion of this learning activity participants should be able to:
1. Describe the recent ethical debate regarding these conditions as “lethal” medical conditions
2. Understand the medical outcomes that help inform decision making for infants with these genetic conditions
3. Identify the strengths and weaknesses of ethical arguments regarding aggressive treatment for infants with these genetic conditions

Who Should Attend: This program is designed for physicians, medical students, nurses, chaplains, social workers, psychologists, and other individuals who are interested in bioethics.

ACCME Accreditation Statement:
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.
