The Social Contract vs. An Autonomous Choice: The Ethical Controversy of Universal Health Care

Speaker: Trevor M. Rich, BS
M.D. Candidate
Class of 2017
Medical College of Wisconsin

Date: Tuesday, March 21, 2017
Time: 12:00-1:00 P.M.
Location: M2050/M2070, MCW

Upon completion of this learning activity participants should be able to:
1. Describe the basic elements of the social contract and patient autonomy.
2. Identify two key ethical principles related to universal health care and describe their application to both public health and individual medical choice.
3. Articulate the rationale presented for the role of universal health care in the United States.

Who Should Attend: This program is designed for physicians, medical students, nurses, chaplains, social workers, psychologists, and other individuals who are interested in bioethics.

ACCME Accreditation Statement:
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.
