Graduate Seminar Series

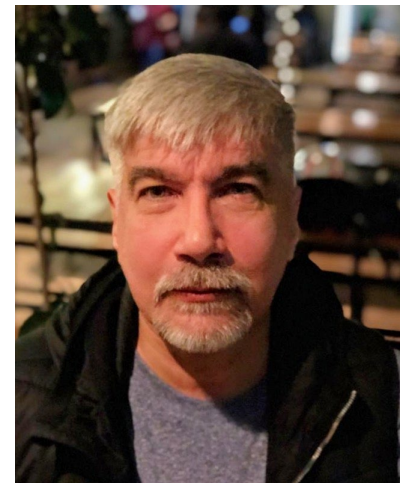

Fridays | 9:30 a.m.
FALL 2021

To join these virtual events, visit mcw.edu/departments/biophysics/events or contact jthelane@mcw.edu | 414-955-4002

“2-Cys peroxiredoxins: Enzymology, H₂O₂ sensing and redox signaling”

Gerardo Ferrer Sueta, PhD

Assistant Professor of Biological Physicochemistry
Institute of Biological Chemistry
University of the Republic, Montevideo, Uruguay

Friday, September 17, 2021
9:30 am
