Directions to the Department of Biophysics

The Department of Biophysics is located on the second floor of the MACC Fund Research Center (MFRC), which is located off of Connell Avenue between 87th and 92nd Streets, west of MCW’s Medical Education Building (MEB), and northeast of the Children’s Hospital of Wisconsin.

From Froedtert Hospital (92nd Street)

Beginning at Froedtert’s main lobby (on the second floor of the hospital), you can take either a) the west route through Children’s Hospital, or b) the east route through the MCW Hub building.

a) via the west route through Children’s Hospital

- Head north from the information desk toward the C elevators.
- Take the C elevators to LL.
- Exit the elevators, turn right, and follow the hallway.
  - You will pass the Medical Records Department on your right.
- Follow the overhead signs for Children’s Hospital.
- Continue through the corridor until you see a fork; turn left.
  - You will pass the Children's dining room on your right.
- Continue down the hallway, following overhead signs to the elevators.
- Take the elevators to the second floor of Children’s.
- Exit the elevators to the main hospital corridor; turn left.
- Cross over the skywalk.
- Directly across from the coffee kiosk is the entrance to another skywalk leading to the MACC Fund Research Center. Cross this skywalk; you are now on the third floor of the MFRC.
- To reach Biophysics by stair,
  - Follow the hallway, past the Grants & Contracts office (on your right).
  - At the end of this hallway, directly before another skywalk, you will see a stairwell on your right.
  - Enter the stairwell and proceed down to the second floor.
  - A sign marks the Department of Biophysics.
  - The second floor is secure. If you do not have access, knock loudly on the door or call (414) 955-4000 on your cell phone. A department employee will meet you.
- To reach Biophysics by elevator,
  - Follow the hallway to the elevators, located across from the Grants & Contracts office.
  - The second floor is secure.
  - If you have access, take the elevators to the second floor.
  - If you do not have access, use the phone by the elevators (or your cell phone) to call Biophysics, (414) 955-4000, and a department employee will meet you at the elevators.

b) via the east route through the MCW Hub building

- Head east from the information desk under the sign pointing to the “Skywalk to Specialty Clinics Building.”
  - You will pass the Skywalk Deli on the south (right).
  - At the end of the long corridor, you will see an information desk on your left, and the J elevators straight ahead.
- Head north (left) past the information desk, through Radiology/X-Ray.
- When you come to a “T” in the hallway, look for the sign on the wall that says “Level 2, Specialty Clinics Building” with the arrow pointing east (right) to the Pavilion. Follow that hallway.
- At the end of the hallway, you will see the H elevators on the right, and a sign on the wall that says “Lab Building.” Go north (left) through that hallway.
  - You will pass a rounded wall of windows overlooking the Children Hospital’s ER parking lot.
- Continue north through the corridor. Just past the Pathology offices, you will come to a sliding glass door with an access card reader next to it on the west (left) wall. MCW access cards should allow access through these doors.
- Continue north on the skywalk over Connell Court. Upon exiting the skywalk, you will enter the MCW Hub building's second floor.
- Continue north through the carpeted corridor. Directly ahead, you will come to a short staircase and an elevator. Go down, and you will now be on the third floor of the MCW Medical Education Building.
- Continue north.
  - You will pass Academic Affairs to the west (left).
- At the end of that hall, turn west (left).
- Follow overhead signs to the MACC Fund Research Center.
- Cross the skywalk to the MFRC.
- To reach Biophysics by stairs,
  - Immediately after crossing the skywalk, you will see a stairwell on your left.
    - Enter the stairwell and proceed down to the second floor.
    - A sign marks the Department of Biophysics.
  - Note that the second floor is secure. If you do not have access, knock loudly or call (414) 955-4000 on your cell phone. A department employee will let you in.
- To reach Biophysics by elevator,
  - Follow the hallway until to the elevators, located across from the Grants & Contracts office.
  - Take the elevators to the second floor.
  - Note that the second floor is secure. If you do not have access, use the phone by the elevators (or your cell phone) to call Biophysics, (414) 955-4000, and a department employee will meet you at the elevators and give you access to the second floor.

From the Medical College of Wisconsin (87th Street)

Beginning at MCW's main lobby,

- Take the elevators to the third floor.
- Exit the elevators, turn left, and follow the hallway.
  - The hallway borders the library on the right.
- Follow overhead signs to the MACC Fund Research Center.
- Cross the skywalk to the MFRC.
- To reach Biophysics by stairs,
  - Immediately after crossing the skywalk, you will see a stairwell on your left.
    - Enter the stairwell and proceed down to the second floor.
    - A sign marks the Department of Biophysics.
  - Note that the second floor is secure. If you do not have access, knock loudly or call (414) 955-4000 on your cell phone. A department employee will let you in.
- To reach Biophysics by elevator,
  - Follow the hallway until to the elevators, located across from the Grants & Contracts office.
  - Take the elevators to the second floor.
  - Note that the second floor is secure. If you do not have access, use the phone by the elevators (or your cell phone) to call Biophysics, (414) 955-4000, and a department employee will meet you at the elevators and give you access to the second floor.
