

FORM C

AMERICAN CANCER SOCIETY PILOT RESEARCH GRANT SPECIAL INSTRUCTIONS

If applying for an American Cancer Society pilot grant, please complete the following information:

Full Name, Degree(s):
Academic Title:

Citizenship Status (check one):

- U.S. Citizen or noncitizen national
- Permanent resident of U.S. (You may be asked to provide documentation)

Verification of Applicant Eligibility by Department Chair:

Applicants must be within six years of their first independent research or faculty appointment at any institution, must be salaried faculty with appropriate committed research facilities, and may not have competitive national funding active at the start date of the proposed ACS funding. Applicants with a visa must provide documentation that the visa terms allow enough time to complete the ACS IRG pilot project.

Name of Department Chair:

Signature:

Date:

Note: The ACS Extramural Grants Program requires a formal mentoring program for recipients of ACS Pilot Research Grants. For many junior faculty members, the ACS award represents their first foray into the world of independent, peer-reviewed funding. To help you, a Mentorship Committee must be formed for each recipient of an ACS Pilot Research Grant. You may suggest faculty members for your mentoring committee. By submitting this application, you agree to participate in this mentoring plan.
