

Medical College of Wisconsin presents

COVID-19 Research Community Report Back Event

Hosted by the Center for Advancing Population Science (CAPS) at the Medical College of Wisconsin with support from Advancing a Healthier Wisconsin Endowment (AHW)

JOIN US!

Thursday, February 25th
12:00PM -1:30PM
Webinar Event

Presented by:
Leonard Egede, MD, MS
Professor of Medicine & Eminent
Scholar
Chief, Division of General Internal
Medicine
Director, Center for Advancing
Population Science (CAPS)

Featuring:
Johnny C. White, Jr. DMin.
Pastor, Greater Galilee Missionary
Baptist Church

Purpose:

This event is to share and discuss research findings from two studies conducted with African Americans in Milwaukee: “Intervention to Prevent Spread of COVID-19 in Elderly African Americans in Milwaukee” and “Exploring the Lived Experience and Understanding the Impact of COVID-19 Among Inner-City African Americans: A Mixed Methods Study.” All study participants, partnering sites, and any interested community members are invited to attend.
