

# MCW Center for Microbiome Research Seminar Series 2018-2019

Seminars are at 11:00AM in the Briggs & Stratton Auditorium at Children's Hospital of WI.

October 23, 2018

**Purna Kashyap, MBBS**

Consultant, Department of Internal Medicine, Division of Gastroenterology and Hepatology, and Department of Physiology & Biomedical Engineering; Associate Professor, Medicine; Assistant Professor, Physiology, Mayo Clinic  
*Role of Amino Acids as a Nutrient Niche Favoring Clostridioides difficile in Dysbiotic Microbial Communities*

December 4, 2018

**William DePaolo, PhD**

Lynn & Michael Garvey Chair, Gastroenterology; Associate Professor, Medicine; Director, Center for Microbiome Sciences & Therapeutics, University of Washington, Seattle  
*TBD*

February 12, 2019

**David Mills, PhD**

Professor, Food Science & Technology, University of California - Davis  
*TBD*

March 26, 2019

**Dan Knights, PhD**

Associate Professor, BioTechnology Institute, Computer Science & Engineering, University of Minnesota  
*TBD*

April 9, 2019

**Gary Wu, MD**

Professor, Medicine/Gastroenterology, University of Pennsylvania  
*TBD*

May 7, 2019

**Katrine Whiteson, PhD**

Assistant Professor, Molecular Biology & Biochemistry and Pediatrics, University of California - Irvine  
*TBD*
