

# TEN WAYS YOUR COMMUNITY CAN CREATE A POSITIVE ALCOHOL ENVIRONMENT

10

10. Encourage local employers to offer Screening, Brief Intervention and Referral to Treatment

5

5. Require responsible alcohol serving practices for festivals & events

6

6. Advise Seniors & their families about dangerous alcohol-drug interactions that can increase falls

9

9. Limit alcohol use in public parks to specific areas, parks or shelters

8

8. Raise awareness of the consequences of underage and childhood alcohol use

7

7. Compile Place of Last Drink data to detect patterns of overserving

4

4. Support alcohol age compliance checks to increase compliance

3

3. Reduce youth access to alcohol

2

2. Reduce local youth exposure to alcohol advertising

1

1. Limit the number of places that sell & serve alcohol
