**TO FIND A DENTIST:** From the Delta Dental Website -> select Find a Dental Provider:

- If you have enrolled in the **EPO-Exclusive Provider** Plan Option, you can ONLY select a provider listed as being in the "Delta Dental PPO" network. Note that if you enroll in this plan option and obtain services from a Dentist outside of this network, there will be NO benefits for these services. [Group #03905]

- If you have enrolled in the **Freedom of Choice** Plan Option, you can select a provider listed as being in either the "Delta Dental PPO" or "Delta Dental Premier" network. Under this plan option, dentists can also be utilized outside of these networks, but out of pocket cost may be higher. [Group #10302]

Once you chose a provider, you are urged to CONFIRM WITH THE PROVIDER THAT THEY PARTICIPATE IN YOUR PLAN OPTION NETWORK before having services performed.
