See more at <http://candycanelanewi.com/>.

Park your cars on the corner of W. Montana Ave. and S. 96th St. in West Allis, bundle up and enjoy a walk through this "over the top Christmas lights neighborhood." We will walk the sidewalk, so bring a wagon or stroller if desired.

You can join and walk through as much or as little of the neighborhood as you would like.

In case of terrible cold/rainy weather, please check Facebook, as we will plan to reschedule for Sunday the 15th.

## Helping Hands

So many things come up during this crazy medical journey, and we would like to help everyone get through it all.

The RSA community is ready and willing to help. If you'd like to get involved, know someone who has a need, or have a need of something yourself, please contact us.
