Course Information

Target Audience

Primary Care Physicians

- Gastroenterologists and Hepatologists
- Support Staff (NP's, PA's, RN's)

Goals & Objectives

- Recognize tests available for evaluation of the patient with dysphagia and when to utilize them in different patient populations.
- Recognize non-IBD colon disorders in patient cohorts and develop an evaluation plan specific to the patient.
- Familiarize oneself with the therapies used in the treatment of constipation as well as their safety profile.
- Determine an evaluation plan for the patient who presents with abnormal liver tests.

Registration Fee

There is a registration fee of \$50 per MD/DO and a \$25 registration fee for PA/NP/RN, student/fellow/ resident. This fee includes a continental breakfast, lunch, CME credits*, and course materials.

PLEASE NOTE THERE ARE NO REFUNDS ON CANCELLATIONS.
