

December 10, 2025

Dear Colleague:

We would like to invite you to join us at the Medical College of Wisconsin, 8701 Watertown Plank Road (M1060-Alumni Center) on Saturday, January 31, 2026, from 7:30 am to 12:00 pm, as we will be summarizing the Annual American Association for the Study of Liver Diseases Meeting that was held in Washington, DC, November 7-11, 2025.

This update will be presented by members of the Division of Gastroenterology and Hepatology at the Medical College of Wisconsin. This review will include diverse topics such as metabolic dysfunction-associated liver diseases, alcohol related liver diseases, portal hypertension, non-invasive tests for diagnosis of liver diseases and liver biopsies, management of biliary disease in chronic liver diseases, management of autoimmune liver diseases, and when to refer the patient for liver transplant evaluation. There will be plenty of time for questions and answers.

This event is free to you, your Nurse Practitioners, and Physician Assistants. There will be a continental breakfast as well as lunch provided.

Parking is available in the lot across the street from MCW. You can just use the intercom at the gate and let security know that you are there for a conference. You can walk to the North side doors of MCW to get in; all other doors will be locked.

Please see the attached instructions for registering for this event. If you already have an account set up in Ethos from past CME events at MCW, go to the "how to register" section. Please contact our course coordinator, Kari Warren, at 414-955-7426 or kwarren@mcw.edu with any questions, help with registration, or to relay any special needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Achuthan Sourianarayanan".

Achuthan Sourianarayanan, MD, DNB, MRCP (UK), NBPNS, FOMA
