

# MEDICAL COLLEGE OF WISCONSIN GLOBAL HEALTH PROGRAM

## GLOBAL HEALTH WEEK *Neighborhoods to Nations*

### **Objectives:**

- Formally launch the Global Health Program.
- Increase the visibility of faculty's global health activities in clinical care, education, research and public and community health.
- Raise awareness of local and international partnerships that are addressing global health issues.

# Week Long Events

## **Global Health Photography Exhibition**

Students' Global Health Organization, co-sponsor

Faculty, staff and student submissions are displayed outside of the MCW cafeteria lobby. Public voting from November 28 - December 2 and three winners announced on December 2 Global Celebration.

## **Library Showcase**

MCW Libraries, co-sponsor

New global health themed books displayed to check out and a timeline of the 30 years of AIDS diagnosis and CAIR faculty published articles on HIV

## **Household Item Collection for Refugee Resettlement to Milwaukee**

Students' Global Health Organization, co-sponsor

Each year, hundreds of refugees seek safety and a chance at a better life in metro Milwaukee. Look for collection boxes to donate household items for refugees resettling to Milwaukee from Bhutan, Iraq, Somali and Sudan.

Suggested donation items to collection boxes located around MCW: silverware, cooking utensils, sheets, towels, hangers, shower curtain, cleaning supplies

## **Global Cooking**

MCW Wellness Program and Davians Club Med, co-sponsors

Daily healthy cooking demonstrations in the MCW cafeteria over the lunch hour with global-themed foods for purchase
