

MEDICAL COLLEGE OF WISCONSIN GLOBAL HEALTH PROGRAM

GLOBAL HEALTH WEEK 2012 *Neighborhoods to Nations*

Objectives:

- Increase the visibility of faculty's global health activities in education, research, patient care and community engagement.
- Raise awareness of local and international partnerships that are addressing global health issues.

The Medical College of Wisconsin CME Program is generously providing continuing medical education (CME) credits at Global Health Week lectures.

Visit: www.mcw.edu/ghp for more information on the weeks events.
