

# MCW Global Health Week 2021

## Neighborhoods to Nations

November 29–December 3

November 2021

### The 11<sup>th</sup> Annual

The annual educational objectives of MCW's Global Health Week are:

1. Increase visibility of faculty's global health efforts in community engagement, education, patient care, and research.
2. Raise awareness of local and international partnerships that are addressing global health issues from neighborhoods to nations.

---
