

# MCW Global Health Week 2022

## Neighborhoods to Nations

November 28–December 2

### The 12<sup>th</sup> Annual

The annual educational objectives of MCW’s Global Health Week are:

1. Increase visibility of faculty’s global health efforts in community engagement, education, patient care, and research; and
2. Raise awareness of local and international partnerships that are addressing global health issues from *neighborhoods to nations*.
