New Grant Opportunities/Agency Notices

May 5, 2020

NEW GRANTS

Health

Department of Defense/ Dept. of the Army -- USAMRAA
DoD, Breast Cancer, Era of Hope Scholar Award
Funding Opportunity Number: W81XWH-20-BCRP-EOHS-2
Application Deadline: Sep 22, 2020
Estimated Maximum Total Value: $4,800,000
Estimated Number of Awards: 1
Summary

The BCRP was initiated in FY92 to support innovative, high-impact research, with a mission of ending breast cancer for Service members, Veterans, and the general public. Appropriations for the BCRP from FY92 through FY19 totaled $3.56 billion. The FY20 appropriation is $150 million (M).

HHS/ Health Resources and Services Administration
Childrens Hospitals Graduate Medical Education
Funding Opportunity Number: HRSA-21-012
Application Deadline: Aug 28, 2020
Estimated Maximum Total Value: $340,000,000
Summary

To fund freestanding children’s hospitals to support the training of pediatric and other residents in graduate medical education (GME) programs.

Link: HRSA-21-012

HHS/ Health Resources and Services Administration
Healthy Tomorrows Partnership for Children Program
Funding Opportunity Number: HRSA-21-031
Application Deadline: Oct 06, 2020
Estimated Maximum Total Value: $400,000
Estimated Number of Awards: 8
Summary

The purpose of this program is to promote access to health care for children, youth and their families nationwide, and employ preventive health strategies through innovative community-based programs. This program supports HRSA’s goals to improve access to quality health care and services, to build healthy communities, and to improve health equity.

HHS/ Health Resources and Services Administration
Strengthening the MCH Public Health Academic Pipeline – Competitive Supplement to the Centers of Excellence in MCH Education, Science, and Practice Program Synopsis
Funding Opportunity Number: HRSA-20-088
Application Deadline: Jun 19, 2020
Estimated Maximum Total Value: $850,000
Maximum Total Value Per Award: $170,000
Estimated Number of Awards: 5
Summary
The purpose of this program is to support post-graduate training to promote career pathways into MCH academia. Support for postdoctoral fellowships and junior faculty will increase research and teaching capacity for advancing MCH within Schools of Public Health, strengthen academic-practice partnerships, and enhance skills in the formation of MCH policy, including the translation of research to practice and policy.

HHS/ Health Resources and Services Administration
Guidelines for Women’s Preventive Services
Funding Opportunity Number: HRSA-21-045
Application Deadline: Oct 05, 2020
Estimated Maximum Total Value: $950,000
Estimated Number of Awards: 1
Summary
The purpose of this project is to improve adult women’s health across the lifespan by engaging a coalition of health professional organizations to recommend updates to the HRSA-supported Women’s Preventive Services Guidelines.
Link: HRSA-21-045

HHS/ Health Resources and Services Administration
Rural Health Network Development Planning Program
Funding Opportunity Number: HRSA-21-021
Application Deadline: Nov 16, 2020
Estimated Maximum Total Value: $2,000,000
Estimated Number of Awards: 20
Summary
The purpose of the Network Planning program is to assist in the development of an integrated health care network, specifically network participants who do not have a history of formal collaborative efforts in order to: (i) achieve efficiencies; (ii) expand access to, coordinate, and improve the quality of essential health care services; and (iii) strengthen the rural health care system as a whole. A rural health network is defined as an organizational arrangement among at least three separately owned regional or local health care providers that come together to develop strategies for improving health services delivery systems in a community.

HHS/ Health Resources and Services Administration
Rural Health Care Services Outreach Program
Funding Opportunity Number: HRSA-21-027  
Application Deadline: Dec 01, 2020  
Estimated Number of Awards: 60  
Summary  
The Outreach Program is a community-based grant program aimed towards promoting rural health care services by enhancing health care delivery in rural communities. Outreach projects focus on the improvement of access to services, strategies for adapting to changes in the health care environment, and overall enrichment of the respective community’s health.

HHS/ Centers for Disease Control - NCCDPHP  
**Paul Coverdell National Acute Stroke Prevention**  
Funding Opportunity Number: CDC-RFA-DP15-15140501SUPP20  
Application Deadline: May 27, 2020  
Estimated Maximum Total Value: $750,000  
Maximum Total Value Per Award: $750,000  
Estimated Number of Awards: 9  
Summary  
The purpose is to improve the stroke systems of care through data collection and identifying areas to improve health outcomes and guide quality improvement efforts at various stages of care.

HHS/ Administration for Children & Families  
**ACYF/FYSB Runaway and Homeless Youth Training and Technical Assistance Center**  
Funding Opportunity Number: HHS-2020-ACF-ACYF-CY-1801  
Application Deadline: Jun 26, 2020  
Estimated Maximum Total Value: $2,100,000  
Maximum Total Value Per Award: $2,100,000  
Estimated Number of Awards: 1  
Summary  
The Family and Youth Services Bureau (FYSB) supports a national Training and Technical Assistance effort designed to enhance and promote continuous best practices and quality improvement of services for youth and families served by FYSB funded runaway and homeless youth grantees

HHS/ Administration for Children and Families
Demonstration Grants to Strengthen the Response to Victims of Human Trafficking in Native Communities (VHT-NC) Program
Funding Opportunity Number: HHS-2020-ACF-IOAS-OTIP-TV-1805
Application Deadline: Jul 06, 2020
Estimated Maximum Total Value: $1,300,000
Maximum Total Value Per Award: $260,000
Estimated Number of Awards: 5
Summary
The goal of the VHT-NC Program is to fund organizations that will build, expand, and sustain organizational and community capacity to deliver services to Native American (i.e., American Indians, Alaska Natives, Native Hawaiians, and/or Pacific Islanders) victims of severe forms of human trafficking as defined by the Trafficking Victims Protection Act of 2000 through the provision of direct services, assistance, and referrals.

HHS/ Administration for Community Living
Closing the Health Disparity Gap for People with Intellectual and Developmental Disabilities: Strengthening the U.S. Health Care Workforce
Funding Opportunity Number: HHS-2020-ACL-AOD-DNHE-0416
Application Deadline: Jun 29, 2020
Estimated Maximum Total Value: $350,000
Maximum Total Value Per Award: $350,000
Estimated Number of Awards: 1
Summary
The Administration on Disabilities (AoD) seeks to fund one five-year cooperative agreement that will increase and accelerate current efforts to embed ID/DD content into medical and allied health school education programs. The goal of the project is to expand access to quality healthcare for individuals with ID/DD by increasing the ID/DD-specific knowledge, skills, attitudes, and competence of the health care workforce. By funding this project, AoD seeks to create greater health equity and increase life expectancy of the ID/DD population.

HHS/ Administration for Community Living
Alternatives to Guardianship Youth Resource Center
Funding Opportunity Number: HHS-2020-ACL-AOD-DNDM-0427
Application Deadline: Jun 29, 2020
Estimated Maximum Total Value: $1,500,000
Maximum Total Value Per Award: $300,000
Estimated Number of Awards: 1
Summary

The Administration on Disabilities (AoD) seeks to fund one (1) five-year grant to create an Alternatives to Guardianship Youth Resource Center. Research shows the majority (57 percent) of people with ID/DD ages 18 to 22 receiving publicly funded services have guardians. The Center will work to divert high school students with ID/DD away from guardianship to less restrictive decisional supports.

HHS/ Agency for Health Care Research and Quality Competitive Revision
Supplements to Existing AHRQ Health Service Research (HSR) Grants and Cooperative Agreements to Evaluate Health System and Healthcare Professional Responsiveness to COVID-19 (Supplement - Clinical Trial Optional)
Funding Opportunity Number: PA-20-070
Application Deadline: May 31, 2020
Estimated Maximum Total Value: $2,500,000

Summary

The Agency for Healthcare Research and Quality (AHRQ) hereby notify grantees holding active AHRQ research grants and cooperative agreements, (except R13s, T32s, F32s), that funds may be available for competitive revisions to meet immediate needs to help address timely health system and healthcare professional response to the COVID-19 public health crisis

National Infrastructure for Mitigating the Impact of COVID-19 within Racial and Ethnic Minority Communities
Funding Opportunity Number: MP-CPI-20-006
Application Deadline: Jun 15, 2020
Maximum Total Value Per Award: $22,000,000
Estimated Number of Awards: 1
Summary
The Office of Minority Health (OMH) is offering a funding opportunity to support the development and coordination of a national-state/territorial/tribal-local network of public and community-based organizations that will disseminate COVID-19-related information; disseminate effective response, recovery and resilience strategies; and ensure service linkages for racial and ethnic minority, rural and disadvantaged communities hardest hit by the COVID-19 pandemic

National Institutes of Health/National Institute of Environmental Health Sciences
Superfund Research Program Occupational Health and Safety Education Programs on Emerging Technologies (R25 - Clinical Trial Not Allowed)
Funding Opportunity Number: RFA-ES-20-011
Application Deadline: Aug 03, 2020
Maximum Total Value Per Award: $250,000
Summary
The overarching goals of the NIH R25 program are to: (1) complement and/or enhance the training of a workforce to meet the nation’s biomedical, behavioral and clinical research needs; (2) encourage individuals from diverse backgrounds, including those from groups underrepresented in the biomedical and behavioral sciences, to pursue further studies or careers in research; (3) help recruit individuals with specific specialty or disciplinary backgrounds to research careers in biomedical, behavioral and clinical sciences; and (4) foster a better understanding of biomedical, behavioral and clinical research and its implications.

National Institutes of Health/ National Institute of Allergy and Infectious Diseases
Emergency Awards: Rapid Investigation of Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) and Coronavirus Disease 2019 (COVID-19) (R01 Clinical Trial Not Allowed)
Funding Opportunity Number: PAR-20-178
Application Deadline: Apr 29, 2021
Summary
The purpose of this Funding Opportunity Announcement (FOA) is to provide an expedited funding mechanism for research on Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) and Coronavirus Disease 2019 (COVID-19). NIAID is issuing this FOA in response to the declared public health emergency issued by the Secretary, HHS, for 2019 Novel Coronavirus (COVID-19).
Link: PAR-20-178

National Institutes of Health/ National Institute on Aging
Advancing Research to Develop Improved Measures and Methods for Understanding Multimorbidity (R01 Clinical Trial Optional)
Funding Opportunity Number: PAR-20-179

Legislative and Executive Branch Solutions | Strategic Communications | Coalition Building | Intelligence Gathering
Application Deadline: Sep 07, 2023

Summary
Institutes within the NIH have separately advanced FOAs related to examining the epidemiology, mechanisms and treatment of MCCs. These initiatives have been specific to one or a few of the mission areas of the sponsoring Institutes and Centers (ICs). However, common risk factors are being identified for many chronic diseases and trans-NIH efforts to advance this research may facilitate more rapid understanding of the continuum of MCCs from etiology through preventive interventions concurrently across multiple disease areas.

**National Institutes of Health/ National Institute of Diabetes and Digestive and Kidney Diseases**

**Coordinating Unit to Support the Kidney, Urology and Hematology (KUH) Innovative Science Accelerator Program (ISAC-CU) (U24 Clinical Trial Not Allowed)**

Funding Opportunity Number: RFA-DK-20-010
Application Deadline: Aug 04, 2020

Summary
National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) intends to initiate the Innovative Science Accelerator (ISAC) Program, whose goals are to provide: 1. Seed funding, through a highly flexible funding process, for projects targeting discovery (hypothesis-generating) and exceptionally innovative, disruptive (high-risk/high-reward) research in areas of science of interest and value to the KUH research communities; and 2. A platform for researchers funded through the program to exchange ideas and resources to enable collaboration and accelerate innovation. Based on these two goals, the ISAC Program will have two components: 1) a funding program and 2) a collaboration program.
