1. Please fax the completed form, patient demographic sheet, any relevant clinic notes, surgical reports, and diagnostic testing results to (414) 955-0136. An attempt to contact your patient and schedule will be made within two business days.

2. Alternatively, your patient may call to schedule their appointment directly at any of our locations at (414) 955-2020 (PRESS #1).

3. All Oculoplastics & Orbit patients must bring any relevant imaging to their Eye Institute appointment.
