PROGRAM INFORMATION

The Medical College of Wisconsin, Department of Pathology 13th Annual Midwestern Conference: Update Course in Diagnostic Pathology

Friday, September 23 – Sunday, September 25, 2022

Hyatt Regency Milwaukee

333 W Kilbourn Ave, Milwaukee, WI 53203

Conference sessions will be held in the Regency Ballroom on the 2nd floor of the Hyatt Regency.

TARGET AUDIENCE

This course is applicable to practicing surgical pathologists, surgeons, oncologists, pathologists' assistants, and pathologists-in-training. Healthcare professionals who work in other areas of research and diagnostic surgical pathology will also find this course beneficial.

COURSE OVERVIEW

This three-day course has been designed to provide a comprehensive and practical update of diagnostic surgical pathology. It is primarily designed to enhance the knowledge of practicing surgical pathologists, particularly those involved in community practice. The activity will include lectures containing the latest in research and diagnosis, and complex surgical pathology cases, each session providing time for questions and answers. Case presentations are selected to highlight unusual presentations of rare and common conditions, to demonstrate key points in diagnosis and potential pitfalls, and will emphasize application of evidence-based medicine and up-to-date references.

COURSE OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Evaluate current criteria for diagnosis in various subspecialty areas in diagnostic pathology
- Discuss the proper application of immunohistochemical and other special studies in problematic cases
- Explain advances in terminology and classification of neoplastic and non-neoplastic disorders

EDUCATIONAL METHOD

Instructional techniques will include didactic lectures with visual supports and case-based discussions. Learners will have an opportunity to interact via an audience response system, as well as participate in question-and-answer sessions to address issues relevant to their own practice and learning needs. Access to electronic presenter material is included with tuition.

ACCME ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Society for Clinical Pathology (ASCP) and the Medical College of Wisconsin Department of Pathology. The ASCP is accredited by the ACCME to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

The ASCP designates this live activity for a maximum of *20.25 AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

HOURS OF PARTICIPATION FOR ALLIED HEALTH PROFESSIONALS

The Medical College of Wisconsin designates this activity for up to 20.25 hours of participation for continuing education for allied health professionals.

DISCLOSURE AND DISCLAIMER DECLARATIONS

The Medical College of Wisconsin must ensure that those in control of content disclose all relevant financial relationships with any ineligible companies occurring within the past 24 months that create a conflict of interest. Mechanisms are in place to identify and mitigate any potential or actual conflicts of interest before the activity. Relevant financial relationships will be listed on the event website and in the conference slide deck. Determination of educational content for this program and the selection of speakers were the sole responsibility of the planning committee. While unlikely, agendas and presenters are subject to change due to unforeseen circumstances.

COVID-19 MITIGATIONS

The COVID-19 response is a fluid and evolving situation. The information, processes, and guidelines that pertain to the conference are continuously being evaluated and are subject to change. Attendees must be fully vaccinated against COVID-19 or test negative for COVID-19 within 48 hours of arrival at the conference, and attest to intention to comply upon registration for the conference. Attendees may be required to wear face masks and social distance, regardless of vaccination status, as dictated by, but not limited to, COVID-19-related federal, state, and local laws and regulations, venue requirements, as well as CDC and MCW guidance. Participants may also be asked to complete a daily health screening questionnaire prior to conference admission each day.

CANCELLATION AND REFUND POLICY

Requests for cancellation must be submitted via email to midwesternconference@mcw.edu. Please use read receipt to confirm the request is delivered and opened. Cancellations that are date stamped on/before September 8 will receive a refund of paid tuition, less a \$50 processing fee. No refund will be granted for cancellations date stamped after September 8*. Fees will not be refunded for no-shows. In the context of COVID-19, walk-in registrations, substitutions, and registrations less than 48 hours in advance will not be accommodated.

*Exceptions may be made in cases of illness at MCW Department of Pathology's sole discretion.

The Medical College of Wisconsin (MCW) reserves the right to cancel, postpone, or modify delivery format of this course. In the event of cancellation, all registration fees will be refunded in full. In the event of postponement or modified delivery, participants will be provided the choice of transferring registration, or receiving a full refund. MCW assumes no financial responsibility or obligation to registrants or exhibitors for any losses related to the conference under any circumstance, including, but not limited to, testing, medical care, airfare, lodging, and other travel expenses.
