Continuity Clinic and OR Days throughout

Anesthesia schedule is subject to rotation variability but this provides the likely rotations.

- Key:
- SICU - VA Surgical ICU
 - RAAPS - Regional Anesthesia and Acute Pain Service
 - CHIPS - Acute Inpatient Pain
 - PET - Preoperative Clinic
 - Safari - Ambulatory Anesthesia
 - CMH - Community Memorial Hospital (community exposure)
 - ARIC - Anesthesia Res in Charge (Board-runner)

- Vacations:
- PGY1: 3 weeks
 - PGY2: 3 weeks with 5 Academic/Sick days
 - PGY3-5: 2 weeks on Pediatrics, 2 weeks on Anesthesia
 - Vacations are very flexible to schedule on anesthesia but will have to be taken in two week chunks for pediatrics.
