Network of Care with local mental health and substance abuse resources and links

MyConnectionNEW.org is your one-stop source for mental health and substance abuse information, resources, and service navigation in Brown, Calumet, Outagamie, and Winnebago Counties. This “network of care” also includes emergency phone numbers and hotlines, anonymous mental health screenings, medication information, and much more. And, it can be translated into over 100 languages!

Connections for Mental Wellness can provide training on key website features, as well as promotional materials like posters, cards, and handouts.

Here are the main features:

SERVICES:

- A comprehensive, easy-to-use directory of resources and services, searchable by zip code, for behavioral health, crisis services, and substance abuse
- Contact information, address, areas served, hours, fees, application process (including any required documents), eligibility requirements, and payment/insurance accepted for each listed service

LIBRARY:

- A learning center that contains more than 30,000 articles and fact sheets about physical and behavioral health, produced by leading experts and organizations
- Interactive health tools, symptom checker, and detailed medication information

WEB LINKS:

- Easy-to-find information about government programs and non-profit organizations that specialize in behavioral health issues

INSURANCE:

- Up-to-date information and contacts for state and federally funded health insurance programs
- Links to private insurance carriers licensed to serve your area
- Information about state and federal mental health parity laws

SUPPORT AND ADVOCACY:

- Local, state, and national links to behavioral health agencies and organizations that provide assistance, support, information, and advocacy

MY ACCOUNT:

- “My PHR,” which enables users to create a personal health record to store and organize information in one secure location, and the option to share it with trusted family members or caregivers
- Emergency Card form that can be saved or printed
- Care Coordination Card where your care providers’ information can be recorded
- Secure messaging function with other website users
