Psychiatry Grand Rounds
Medical College of Wisconsin
Research Park Center
Learning Centers 1 & 2 (1st Floor, Left of Entrance)
10000 Innovation Drive Milwaukee, WI 53226
Wednesdays, 8-9 am

For further information, call: (414) 955-7250 or visit: www.mcw.edu/psych
Program ID: 19116

All programs are subject to change

This program is recommended for psychiatrists, psychologists, residents, nurses, medical students, social workers, and other mental health professionals.

This advanced program highlights the latest information in the diagnosis and treatment of mental disorders and the newest research areas in clinical psychiatry.

**ACCME Accreditation Statement:**
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

**AMA Credit Designation Statement:**
The Medical College of Wisconsin designates this live activity a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Hours of Participation:**
The Medical College of Wisconsin designates this activity for up to 1.0 hours of participation for continuing education for allied health professionals.

**Psychology CE Credit Statement:**
The Medical College of Wisconsin is approved by the American Psychological Association to sponsor continuing education for psychologists. The Medical College of Wisconsin maintains responsibility for this program and its content.

This activity contains content or processes that may be potentially stressful.

In accordance with the ACCME policy on relevant financial disclosure, all planners were asked to reveal any relevant financial relationships. Drs. Chan, Cipriano, and Robert Huberty, MSW, have nothing to disclose.

**EthosCE Information:**
All participants who wish to receive CME credit for attending these talks MUST create and manage an EthosCE account: http://ocpe.mcw.edu

For more information on EthosCE, please contact us at (414) 955-7250 or visit our website: www.mcw.edu/psych
February 6, 2019:
Title: Telepsychotherapy Via Home-Based Videoconferencing
Presenter: Kristen Kroll, PhD
Pediatric Psychologist
Children’s Hospital of Wisconsin

Objectives:
1. Review current research support for telepsychological services and discuss ethical considerations associated with this modality
2. Examine the logistical, legal, and practical barriers for in-home videoconferencing for telepsychology services
3. Discuss the implementation of telepsychotherapy via in-home videoconferencing for adolescents within a pediatric cystic fibrosis center

February 13, 2019
Title: The Doctor is ON!: Why Telepsychiatry is Amazing and is the Wave of the Future, and Using Videoconferencing Technology to Deliver Amazing Patient Care
Presenter: Jeremy Chapman, MD
