KEY:

Days = represents calendar days, not business days

From Submit to Approved = total number of days from the time the PI submits the animal submission until the Approval Letter is sent

Vet Review = total number of days that the submission is in the Inbox of a Veterinarian (Vet Review). This number includes the time spent during initial Vet Review as well as during a vet's evaluation of the PI's response(s) to veterinary questions.

IACUC Review = total number of days that the submission is in the Inbox of a Committee Member for review (Designated Review or Full Review). This number includes the time spent during initial IACUC Member Review as well as during the IACUC Members' evaluation of the PI's response(s) to reviewer questions.

IACUC Office Review = total number of days that the submission is in the Inboxes of the RSS (RSS Review) and IACUC Coordinator (IACUC Coordinator Review, In Designated Review Awaiting Letter, Review Processing, Meeting Complete Awaiting Letter)

Changes Requested = total number of days that the submission is in the Inbox of the PI/SS (any Changes Requested state)

States not represented include Department Review, Pending DR, In Full Committee Meeting, Awaiting Safety, Awaiting Secondary IACUC Decision, and Chair Letter Review(s)
