Memo #: 3 – Co-Treating Physicians

To: All CRC's
From: System Administrator
Effective Date: January 31, 2013

Purpose: Tracking co-treating physician(s) on subjects.

Notes: Starting immediately, for all newly accruing subjects: under the CRA Console> On-Study tab include the Co-Treating Physician(s) to indicate the other physician(s), besides the enrolling physician, that is also responsible for the subject's treatment. If more than one Co-Treating Physician, include all.
