**Final Grades**
- The Office of the Registrar maintains final grades only in MCWconnect and does not have access to component grades in Brightspace or OASIS.
- A one-page MCWconnect Guide, including information on how to enter final grades, is available in Faculty and Advisor Resources directly in MCWconnect.

**Incomplete Grades**
- The grade of “I” for incomplete in a course that is graded on the standard grade scale or the grade of “IC” for incomplete in a course that is graded on the pass/fail grade scale is to be assigned to a student who has started coursework and is not able to complete it by the class end date due to extenuating circumstances. A grade of “I” or “IC” is to be assigned only in cases where the student is reasonably expected to complete all coursework by the deadline:
  - **Fall Term**
    - January 31:  Graduate School, Medical School and MSA Program
    - 10 calendar days after the grading deadline:  School of Pharmacy
  - **Spring Term**
    - July 31:  Graduate School, Medical School and MSA Program
    - 10 calendar days after the grading deadline:  School of Pharmacy
  - **Summer Term**
    - September 15:  Graduate School
- If a grade of “I” or “IC” is not converted to a final grade by the deadline, the grade of “I” or “IC” will automatically be replaced with a failing/unsatisfactory grade. If an extension is necessary, the course director may consult with school/program administration and must email acadreg@mcw.edu with the date of the extension.

**Withdrawals**
- If a student stops attending class and/or is not reasonably expected to complete all coursework, the student is to be assigned a failing grade by the course director. In some cases, a student may request to be withdrawn from a class or from the term. Please refer a student seeking a withdrawal to the school/program office. A grade of “W” for withdrawal is assigned by the Office of the Registrar only when approved by the school/program of the student.
