E = Enrolled, R = Retained, G = Graduated, RR = Retention Rate

The Retention Rate is the percent of students enrolled in fall, minus those who graduated in the Academic Year, who returned the next fall.

Dual Degree Programs include the Medical Scientist Training Program, MD/PhD, MD/MS, and MD/MPH.

Most students in our certificate programs work full time in health care or health care adjacent occupations which were impacted by the pandemic in 2020. Both enrollment and retention declined sharply in fall 2020.
