WELCOME TO BENEFITS
ENROLLMENT FOR THE
2019-2020 SCHOOL YEAR!

Benefits can be confusing, but are an essential component in taking preventive steps to protect your health and well-being along with making sure you are covered if anything were to happen. That’s why we offer (and require, in some cases) benefit plans to ensure long-term success in your MCW student careers and beyond.

2019-2020 CHANGES

Medical
While we are keeping the same medical carrier Network Health Plan (NHP), we have made some minor changes to the benefits under some of the plan designs. We did so to maintain both a high-level medical benefit plan offering at the lowest rates possible.

Dental
This year, we are eliminating Anthem dental plans. Instead, we are expanding the CarePlus Network, offering you a greater number of providers. At the same time, keeping the same high level benefit plan design.

More detailed information can be found under the Health and Dental Insurance sections within your enrollment guide.

ENROLLMENT

To choose the best health plan for you and your family (if applicable), we encourage you to read this guide. Once you have made your decisions, simply fill out the enrollment form.

We hope you find the enrollment process as seamless as possible. If you have any questions, concerns or comments, please contact Diane VerHaagh by emailing dverhaagh@mcw.edu or by calling (414) 955-8090.
ALL STUDENTS ARE REQUIRED TO HAVE HEALTH INSURANCE.
However, this does not mean that you must enroll in MCW’s health insurance. The following are your four options for coverage:

1. You may be covered under your parents’ insurance policy (until you are 26).
2. You may be covered by a spouse’s insurance policy.
3. You may sign up for one of the four MCW health insurance plans, offered through Network Health.
4. You may provide documentation of a private health insurance plan.

NETWORK HEALTH INSURANCE PLANS

If you wish to apply for MCW’s health insurance through Network Health, you may choose between the HMO Plan ($250 Deductible), NPOS Plan ($750 Deductible), NPOS Plan ($3,000 Deductible), or NPOS Plan ($5,000 Deductible). Please note that you will not be able to switch plans during the contract year, which runs July 1, 2019 through June 30, 2020, unless you have a qualifying life event (such as turning 26, getting married or divorced, having a child, etc.). If you do not have a qualifying event, you will need to wait until the next open enrollment period, which is during the month of May each year.

Find a Network Health In-Network Doctor

To search for a doctor or hospital online:

2. Click “Find a Doctor” on the right side of the screen.
3. Enter your ZIP code and select “Choose Your Plan” to search. Choose the HMO/POS/EPO selection.
4. Choose the type of doctor from the dropdown selections.

Find a First Health In-Network Doctor

If you reside outside the Network Health coverage areas shown above, you will be covered by the First Health Network.

To find a First Health in-network doctor, visit myfirsthealth.com and follow the prompts.

Plan 1: HMO Plan ($250 Deductible)

This plan is a good option for those students who plan to visit a doctor on a more frequent basis. It provides comprehensive coverage with a lower premium cost compared to the NPOS Plan ($750 Deductible). In-network claims are paid 100% by Network Health, but Network Health pays 0% for out-of-network claims.

You must choose a primary care physician (PCP) from the HMO Provider Directory at networkhealth.com. To do so, follow the instructions under Find a Network Health In-Network Doctor above.

You may change your PCP throughout the year; however, you must choose a provider from the list of physicians and hospitals on the Network Health website.

Please see page 5 for plan details.
Plan 2: NPOS Plan ($750 Deductible)

The NPOS Plan ($750 Deductible) is also a good option for those students who plan to visit a doctor on a more frequent basis. The annual single deductible is $750 and the single out-of-pocket maximum is $2,000. After meeting the deductible, claims are paid at 80% by Network Health if you use an in-network provider or at 60% if you use an out-of-network provider.

Please see page 5 for more plan details.

Plan 3: NPOS Plan ($3,000 Deductible)

The NPOS Plan ($3,000 Deductible) is a good option for those students who are generally healthy, but plan to see a doctor once or twice per year. The annual single deductible is $3,000. After meeting the deductible, claims are paid at 80% by Network Health Plan if you use an in-network provider, or at 60% if you use an out-of-network provider.

*Note that your out-of-pocket exposure is high with this plan. Be sure to consider carefully.*

Please see page 5 for more plan details.

Plan 4: NPOS Plan ($5,000 Deductible)

The monthly premium for this plan is the lowest and your out-of-pocket exposure is the highest. This is also a good option for those students who are healthy, but need to see a doctor once or twice per year. The annual single deductible is $5,000. After meeting the deductible, claims are paid at 70% by Network Health if you use an in-network provider, or at 50% if you use an out-of-network provider. The co-pays for office visits, emergency room visits, urgent care visits and prescription drugs are the highest of all plans offered.

*Note that your out-of-pocket exposure is high with this plan. Be sure to consider carefully.*

Please see page 5 for more plan details.

Breakthrough Teletherapy Program

Teletherapy is a convenient and affordable way to receive behavioral health care. With MDLIVE®, behavioral health services, you can see a licensed therapist from home, the office, or on the go via phone or secure video—on your schedule.

Online therapists are trained to help with a wide range of concerns, such as:

- Addictions
- Anxiety
- Bipolar disorders
- Child and adolescent issues
- Depression
- Eating disorders
- Grief and loss
- Gay/lesbian/bisexual/transgender issues
- Life changes
- Men's/women's issues
- Panic disorders
- Parenting issues
- Postpartum depression
- Stress
- Trauma and post-traumatic stress disorder (PTSD)
- And more

See your Network Health packet for more details.
For Students Waiving Health Insurance Coverage

Health insurance coverage at MCW is mandatory. However, if you are already covered as a dependent on your parent’s or spouse’s plan, or if you already have private health insurance you wish to keep, you may waive the enrollment in the group insurance plan by indicating you wish to do so on your enrollment form.

If you do not submit an enrollment form indicating you are waiving insurance AND fail to provide a copy of your health insurance card, you will be charged for enrollment in the HMO Plan. It will then be your responsibility to cancel this insurance by completing the waiver requirements as stated above.

Network Health Millennium—Wellness Program

Participate in Millennium and complete activities in five healthy rewards categories to earn up to $250 in valuable rewards per year. Millennium is an innovative program that encourages you and your covered spouse (if applicable) to make healthy decisions. Millennium rewards you for meeting health and fitness goals, and gives you access to the tools you need.

Rewards for Healthy Choices—Fitbit®

Participants have access to wellness tools, resources and services, including an online health assessment and online learning community. One of the best perks is that everyone receives a free Fitbit® Inspire pedometer. So they can monitor their activity as they work toward a healthier life.

(One pedometer per lifetime.)

Enrollment in basic Life, Accidental Death & Dismemberment (AD&D) and Long-Term Disability (LTD) insurance is **mandatory only for MSTP students.**

Graduate students may enroll, but are not required to do so.

**Basic Life Insurance**

You will receive $50,000 in basic life insurance.

All benefits terminate upon no longer being a full-time student at MCW.

**Basic AD&D Insurance**

Accidental Death & Dismemberment insurance is a policy that pays a beneficiary of your choice, if the cause of death is an accident. It is attached to your life insurance policy.

Your principal sum is equal to the amount of your basic group term life insurance amount in force.

**Long-Term Disability Insurance**

Long-Term Disability insurance ensures you will continue to receive a percentage of your income if you are unable to work or attend school due to a serious illness or accident.

The elimination period (the time between an injury and the receipt of benefit payments) is 90 days. The total disability benefit is $1,000 during the first two years of school and $1,500 after completing two years of school. The loan payoff maximum benefit is $100,000 and the maximum benefit period is a lifetime.
Dental insurance through CarePlus (Dental Associates and Midwest Dental Provider Networks) is optional for all students. Please see Plan Design on Page 10.
