

PSYCHIATRY (Milwaukee)

Program Director Name: Mara Pheister
Department Residency Advisors:

Program Coordinator Name: Jean Witte

Which clerkships are required for students to match into this specialty?

Psychiatry

At what point in the interview season should a student consider applying to more residency programs in your specialty?

If limited invitations by mid-December. However, more applications at that time would likely not be useful. Would start reaching out to places already applied to at that time.

At what point should a student consider applying to a back-up specialty?

Not provided

Recognizing that it can vary from year to year, when is the typical interview season for this specialty nationally?

October through January

Do you have any additional recommendations for students who are committed to matching in this specialty?

Not provided
