Notes:
The School of Medicine and the School of Pharmacy do not calculate grade point averages. Effective with the matriculating class of fall 2019, the MSA program no longer calculates grade point averages and utilizes a Pass/Fail scale with grades of S or U.
Effective fall 2018, a course with subject of AWAY is a course taken at another institution by arrangement, graded by the host institution and submitted to MCW.

Effective fall 2018, repeated courses are coded as such in the 'R' column of the transcript. A value of 'E' indicates the course is excluded from the GPA while 'I' indicates the course is included in the GPA when calculated.
Effective fall of 2016, Pass/Fail courses are graded S or U in the School of Medicine; Pass/Fail courses prior to that term were graded P or F.
