BIOMEDICAL ENGINEERING

Degree Offered: Master of Engineering in partnership with Marquette University

Program Description

Upon enrolling in the Joint Marquette University/Medical College of Wisconsin Department's Master of Engineering (M.E.) program in biomedical engineering, a student selects one of five specializations and follows the curriculum designed for that specialization. The program includes course work in engineering, life sciences, mathematics, medicine, and healthcare technologies management, all of which will be integrated in a capstone comprehensive written exam.
