

2022-23

BIOMEDICAL ENGINEERING

Degree Offered: Master of Science in partnership with Marquette University

Program Description

Upon enrolling in the Joint Marquette University/Medical College of Wisconsin Department's Master of Science (M.S.) program in biomedical engineering, a student selects one of six specializations. Faculty will design a curriculum and research program to address the specific goals of each student. Programs will include course work in engineering, biology, mathematics, and medicine, all of which will be integrated with research laboratory experience.
