3. There are no term limits on offices.
VI. Impeachment & Replacement

A. Impeachment of a member of the Representative Council is to be initiated by a member of the Representative Council, except that impeachment of a Program Representative is to be initiated by that Representative’s program and may be carried out by a vote of all students in that program.

B. After the call for impeachment has been seconded, the officer under impeachment will leave the meeting room.

C. The vote on impeachment will take place no sooner than one week after the call for impeachment but no later than the time needed to collect all material evidence after the call for impeachment.

D. A 2/3 majority vote is needed for impeachment.

E. All voting members of the Representative Council will vote.

F. If a 2/3 majority is reached in the vote for impeachment the action is immediate. The impeached officer will turn over all the material related to their former position. If a 2/3 majority is not reached the matter is to be dropped.

G. If an officer position is vacated for any reason during a term, this position will be filled by a Program Representative who is elected by the voting members of the Representative Council.

H. The newly elected officer will fulfill all obligations of their new position until that position comes up for reelection.

I. If a Program Representative position is vacated for any reason during a term, this position will be filled by a new Program Representative that is elected by the graduate students of the program / department.

VII. Meetings of the General Memberships

A. Meetings of the Graduate Student Association will be called twice per year, or more often as necessary.

B. Any member of the Graduate Student Association may request through an elected representative that additional meetings be held.

VIII. Amendments to the Constitution and Bylaws

A. Any Graduate Student Association member may submit a proposed Graduate Student Association Constitution amendment.
B. Proposed amendments shall be submitted in writing to any member of the Representative Council for presentation at a general meeting.

C. Proposed amendments will be distributed to the Representative Council at the next council meeting.

D. Public posting will be made of the current and proposed amendment in each degree granting department or division within Graduate School of Biomedical Sciences.

E. Representative Council must vote on proposed amendment no sooner than 21 days and no later than 60 days following distribution at the Representative Council meeting.

F. All voting members of the Representative Council must cast a vote.

G. A 2/3 majority vote is needed for ratification.
Graduate Student Association & Student Government Alliance Standing Committees

All members of the GSA representative council must serve on at least two standing GSA and/or SGA committees. While SGA committees oversee all schools, they still remain active within the GSA. Committee assignments are made at the first meeting of the newly elected council. GSA Representatives are responsible for contacting the chairperson of their respective committees and attending all meetings of their committees. Representatives also report activities and proposals of their respective committees during the monthly GSA and SGA meetings.

Descriptions of the different GSA committees:

1. **Academic Standing and Welfare Committee**: This committee is organized and run by the Graduate Studies Council, and it meets as needed. The committee shall make recommendations to the Graduate Studies Council on matters concerning student welfare and shall guide students on academic probation. The committee shall be comprised of two (2) faculty members elected by the Graduate Faculty (3-year term), two (2) faculty members appointed by the Dean of the Graduate School (3-year terms), and a graduate student member identified by the Graduate Student Association (1-year term).

2. **Awards Committee** (including Mentor, Teacher, and Travel Awards & Write/Phone-A-Thon): This committee is organized and run by the Graduate Studies Council (GSC), and it meets as needed via e-mail. One GSA member serves on this committee; this representative also organizes and runs the Mentor/Teacher-of-the-Year Awards Committee of the GSA, approves all travel award applications, and helps organize the write/phone-a-thon. Its official description is “The committee shall review all student applications for travel awards to scientific meetings and ward monies as funded by the Friends of MCW and the Graduate Student Travel Fundraiser. The committee shall also review and award monies for poster submissions at the Annual Poster Session. The committee shall be comprised of three (3) faculty members elected by the Graduate Faculty (3-year terms), three (3) faculty members appointed by the Dean of the Graduate School (3-year terms), and one graduate student member identified by the Graduate Student Association (1-year term).”

3. **Course Evaluation Committee**: This committee is organized and run by the Graduate Studies Council, and it meets in person a minimum of 3 times a year. Representatives are required to participate in the evaluation process. Its official description is “The committee shall review course evaluations completed by the student at the end of each term. This committee is also responsible for triennial course reviews. The committee shall be comprised of four (4) faculty members elected by the Graduate Faculty (3 year terms), three (3) faculty members appointed by the Dean of the Graduate School (3 year terms), and one graduate student member identified by the Graduate Student Association (1 year term).”

4. **Curriculum & Program Committee**: This committee is organized and run by the Graduate Studies Council, and it meets by email. Its description is: “The committee shall review all courses and programs, including certificate programs, proposed as new offerings of the Graduate School. The committee shall recommend to the Graduate Studies Council acceptance, modification, or rejection of the proposed courses and/or
programs. Approval by the committee shall be the first step toward accreditation of new programs. The committee shall be comprised of three (3) faculty members elected by the Graduate Faculty (3-year terms), three (3) faculty members appointed by the Dean of the Graduate School (3-year terms), and one graduate student member identified by the Graduate Student Association (1-year term).”

5. **Fundraising Committee**: This committee will coordinate fundraising events to raise funds for the Graduate Student Conference Education Fund.

6. **Graduate Outreach Program (GORP)**: Through this recruitment program, graduate student volunteers visit nearby undergraduate institutions (usually their Alma Mater) to discuss their research and advertise/promote the Graduate School of MCW. Travel, food, and lodging costs are all covered by the GORP budget. Two GSA members usually serve on the GORP committee, and they assist in planning visits and recruiting graduate student volunteers.

7. **Program Evaluation Committee**: This committee is organized and run by the Graduate Studies Council, and it meets as needed. Its official description is: “The committee shall review appropriate criteria and metrics and shall periodically evaluate all programs of the Graduate School. The Chair of the committee will report the results of each review to the Dean of the Graduate School and to the Graduate Studies Council. The committee shall be comprised of three (3) faculty members elected by the Graduate Faculty (3-year terms), three (3) faculty members appointed by the Dean of the Graduate School (3-year terms), and one graduate student member identified by the Graduate Student Association (1-year term).”

8. **Research Affairs Committee**: This is an internal research grant review committee of MCW that meets once each semester for up to 4 hours; lunch is provided. One GSA member serves on this committee. While the student representative is not allowed to vote on individual grants, they may provide comments and suggestions to the committee.

9. **Social Committee**: This position organizes virtually every GSA-sponsored social event during the year. Reps on this committee will work closely with the Treasurer, the President, and with the Graduate School Office to coordinate activities and to arrange finances. The Social Committee is chaired by one Social Chair, determined by the committee.

10. **Spotlight on Science Committee**: This committee is funded by the Graduate School and has been organized by faculty and staff from the Office of Postdoctoral Education. The committee meets 4 times each year to choose topics and speakers for the Spotlight on Science luncheon seminar series. Three GSA members serve on this committee.

11. **Symposium Committee**: This committee will plan and coordinate the Annual GSA Symposium.

12. **Travel Award Policy**: This committee will review and modify the current travel award policy to better and more fairly serve the graduate students. The committee will consist
of the GSA officers, Awards Committee representative, and any other GSA members interested in participating in the committee.

Graduate Student Conference Education Fund Policy
Revised: November 2021

**Purpose:** The Graduate Student Conference Education Fund (Travel Fund) is available to help defray the costs of individual degree-seeking students attending a regional, national, international, or virtual scientific meeting. The fund is intended to give students an opportunity to present their research before a scientific audience, obtain helpful feedback for future progress, and network with other scientists. The pool of money comes from yearly contributions from the Friends of MCW, the Graduate Student Association (GSA), and annual fundraising. The Development Office assists the GSA with annual fundraising efforts and offers the Graduate Student Conference Education Fund as a targeted option in solicitation materials used for the Annual Faculty and Staff Fund Drive.

**Governance:** The Travel Fund procedures are determined by the GSA in consultation with departmental administrators, the Graduate School Business Manager, the Director of Enrollment, and other faculty advisors.

**Travel Award Amount:** $800

**Important Annual Events/Deadlines Regarding the Travel Award:**

<table>
<thead>
<tr>
<th>Deadline for application submission:</th>
<th>Any time prior to the start of the conference or by December 1st (whichever is earlier).</th>
</tr>
</thead>
</table>

**September-October**
- GSA Representatives meet with Program Directors to discuss award eligibility and likelihood of travel for the following calendar year.

**October-November**
- List of eligible awardees is submitted to the GSA and posted on Brightspace
- GSA votes on their contribution to that year’s Travel Fund
- Funds available for the calendar year is communicated to the Graduate School by the Development Office
- Travel Award Policy Committee meets with the Business Manager and advisory faculty to discuss cap for the new calendar year

**November-December**
- GSA reviews financial reports from the previous calendar year's award distribution. Based on funds available and projected student travel, the Travel Award Policy Committee presents its recommendation for the year’s cap to the GSA Representative Council for a vote. The new cap is communicated to the Department Administrators by the Business Manager and to the graduate students via the Graduate School staff and/or GSA Representative Council.

**Application Requirements:**

a. Student is the 1st author of submitted, peer-reviewed, and accepted abstract.
b. Student is attending a meeting that is one of the following:
   1. An international meeting/conference
   2. A national meeting/conference
   3. A regional meeting/conference sponsored by a national society
   4. A virtual meeting/conference
c. Application is signed by applicant, mentor, program director, and program administrator.
d. Application is accompanied by a copy of the submitted abstract and proof of its acceptance at the meeting.

e. Applications are required to be submitted prior to departure for the conference or December 1st, whichever comes first.

**Application Process:**

a. Students apply for the award by completing an application located in the *Graduate Student Association* module on Brightspace in “Module 3.4 Awards” or under “Travel Awards” on the GSA website. It is the student’s responsibility to ensure all portions of the application, including the faculty sponsor comment and signatures, are complete.

b. Completed applications must be submitted to the Graduate School office (gradschool@mcw.edu) before attending the conference or by December 1st (whichever is earliest). Only completed applications submitted prior to the deadline will be forwarded to the Awards Committee of the Graduate Studies Council for review.

c. Should the application be incomplete, this will be communicated to the student by the Graduate School and the student has no more than 7 days to amend his or her application and resubmit it to the Graduate School for committee approval. Failure to return a complete application within this time window will constitute a rejection of said application.

d. **Each eligible student may apply for the Travel Award more than once in a calendar year if they have not previously used the full amount to cover previous conference expenses.**

e. If a conference occurs early in the calendar year, students can submit completed applications during the previous calendar year to prepay flights/registration; however, the cap for the year in which the travel occurs is to be used. If prepaid expenses initially charged to the Travel Award Cost Center exceed the new cap (i.e., the previous year’s cap was higher than the cap for the year in which the travel occurred), the Department Administrator, or the student (if Department did not approve funding in excess of Travel Award), must reimburse the difference to the Travel Award Cost Center from alternative funds.

**Awards Committee Review Process:**

a. The Awards Committee of the Graduate Studies Council (GSC) will review the application to determine whether all criteria have been met.

b. The Awards Committee members will communicate via e-mail their decision to the Graduate School (gradschool@mcw.edu) who will in turn email the decision to the applicant, relevant Program Director, and Department Administrator.

**Disbursement Process:**

a. Departments are encouraged to prepay airfare and/or conference registration fees when applicable. Department Administrators can access funds from the Travel Award Cost Center for prepaid fees. If these expenses exceed the cap, the student must coordinate with their mentor and Department Administrator to determine alternative payment methods for the amount exceeding the cap. If these expenses are less than the cap, the funds left from the student’s award will be available for reimbursement of other expenses accrued to attend the conference.

b. Departments may use funds from the Travel Award Cost Center prior to Travel Award Application acceptance to prepay airfare and registration fees. If the application is subsequently not accepted, or the student does not travel, the Business Manager will contact the Department Administrator and the student to determine who is responsible for refunding the Travel Award Cost Center for these funds.
c. Department Administrators may use the Travel Award Cost Center funds to prepay airfare and registration fees for students who do not have accepted abstracts. These students must complete and submit the completed Travel Award Application to their Department Administrator and the Graduate School. If, upon review, funds have been used without a submitted application, the Business Manager will contact the Department Administrator and the student to submit an application immediately. To access funds prior to abstract acceptance, Department Administrators must verify accuracy of the Travel Award Application, particularly the type of meeting attended (regional, national, international). Funds can only be used up to the cap assigned to the given meeting type; use of funds exceeding the cap must be refunded to the Travel Award Cost Center. Student noncompliance may result in fund reimbursement to the Travel Award Cost Center from the student.

d. Any student using funds without a complete application submission (Travel Award Application, abstract, and proof of abstract acceptance) as well as their Department Administrator will be contacted by the Business Manager to submit any missing documentation. If the student fails to submit the necessary documents, the student and/or Department Administrator must refund the Travel Award Cost Center from alternative sources for the funds used.

e. For reimbursement of expenses (hotel, taxis, meals, etc.), students must submit proper documentation to their Department Administrator. If a hotel room is shared, separate bills should be obtained for each person. Shared transportation costs should be divided equally, and rental cars should be avoided. Travel Award Cost Center funds may be used to reimburse students for qualifying expenses, but funds used are not to exceed the cap for all prepaid and reimbursed expenses.

f. For reimbursement of expenses, students is only allowed to apply for the Travel Award no more than 30 days after attending a in-person or virtual conference. Any application submitted after 30 days of attending a conference will be denied.

Award Cap:

a. Awards caps will be assessed annually and modified at the start of each year calendar year if necessary. The GSA Travel Award Policy committee, in collaboration with the Business Manager and relevant advisors, will determine an appropriate cap based on the funds available and the number of eligible students. The Committee will make a recommendation to the GSA Representative Council, which will vote on the final cap for that calendar year, regardless of type of conference (i.e. international, national, regional).

b. All students that receive the award will receive the set cap for the corresponding meeting type. If the student’s expenses are less than the cap for that year, their award will be for the total expenses accrued rather than the cap.

Accountability:

a. At the end of each award cycle, the Business Manager will identify the unused funds for that calendar year. Unused funds will be retained in the Graduate Student Conference Education Fund for the following calendar year.

b. The Graduate School Business Manager will audit the reports described above to be certain all expenditures were appropriate and will prepare a summary report for the Graduate School Dean, GSA president, and GSA Travel Award Policy Committee detailing who received funds, what meeting was attended, and what funds, if any, were unspent.

c. Any GSA travel funds disbursed outside of the guidelines provided here must be reimbursed from other funds (e.g., departmental or mentor’s funds).

d. Travel Award summary statements for the prior year will be reviewed with GSA representatives at the February GSA meeting each year.

Revised August 2021
The Kayoko Ishizuka Award for Presentation at International Conferences

Purpose: This award was created in memory of Kayoko “Kay” Ishizuka, a 2010 graduate from the Biochemistry department at the Medical College of Wisconsin. Kay, a citizen of Japan, was the GSA Biochemistry department representative for several years while she earned her Ph.D. She then began her postdoctoral research at the University of South Florida. Unfortunately, Kay was the victim of a fatal hit and run accident one night after leaving the lab. In recognition of her participation on the GSA, this award will be available to all current graduate students who have earned the opportunity to travel to and present at an international conference. An international conference is defined as a conference held and located outside the continental United States.

Application Timeline: July 1st until June 30th of the following year

Application Deadline: June 30 of the academic funding cycle

Award Amount: $1,000 will be allocated from the GSA budget and divided evenly among qualified applicants.

Award Stipulations:

1. There is no limit to the number of applications that will be accepted for review.
2. Any graduate student who has traveled to an international conference between July 1 and June 30 of the award year is eligible for this award.
3. The student is encouraged to apply for the general travel award as well as earning a general travel award does not exclude you from consideration of the Kay award
4. In the event the money for this award is not used, then the $1,000 will be distributed equally to all departments that receive money from the GSCEF.

Application Criteria:

1. All completed applications are due to the graduate school by the June 30 deadline. All applications received after June 30 will be considered for the following year’s award.
2. The Awards Committee is charged with determining the recipients of the award.
3. Students applying for this award must be in good standing with Graduate School.
4. Participation in either the Phone-A-Thon or the Write-A-Thon is required for consideration of this award.
5. The student applying for this award must be the first author on the abstract and poster.
6. The student must provide evidence that the abstract was accepted for either a poster or oral presentation at an international meeting.

Written Essay Requirements:

All applicants must include a short essay (1000 words or less) describing the following for the Awards Committee to review:

1. Where was the conference located?
2. What type of audience were you presenting to?
3. What did you present and what is the scientific impact of your research?
4. Were you able to network with any investigators, students and/or companies?
5. Did you receive any awards?
6. What impact has this conference made on your career development?

The Guy Berst Memorial Training Award for Advancing Scientific Training

Purpose: Guy Berst worked at MCW for 15 years as Associate Director of Recruitment and Marketing. Guy was a strong advocate for all students and thoroughly enjoyed watching students’ careers flourish into lifelong scientific careers. Guy loved listening to student’s research projects and how their training was progressing. In memory of Guy’s support and advocacy, the GSA will sponsor a training award ($500) to support students’ travels to furthering their scientific training. This can take the form of a scientific workshop and/or travel to another lab to learn and improve a new technique.

Application Timeline: July 1st until June 30th of following year

Application Deadline: June 30th of the academic funding cycle

Award amount: $500 allocated from GSA budget to one selected applicant

Award Eligibility and Stipulations
1. There is no limit to number of applicants that will be accepted for review.
2. Any MCW graduate student traveling to a scientific workshop and/or off-site laboratory to learn/improve a new technique, experimental approach, or furthering scientific training is eligible for this award.
3. In the event the money for this award is not used, then the $500 will be distributed to two recipients the following year.

Application Guidelines
1. All completed applications are due to the graduate school by the June 30th deadline. All applications received after June 30th will be considered for following year’s training award.
2. The Awards Committee is tasked with determining the recipients of the award.
3. Students applying for this award must be in good standing with graduate school.
4. The student must provide evidence for acceptance to attend either a scientific workshop or agreement to be housed in another researcher’s laboratory.

Written Essay Guidelines:

All applicants must include a short essay (1,000 words or less) describing the following for Awards Committee to review:
1. Are you attending a scientific workshop or visiting a laboratory for training?
2. Where do you plan to travel for your training event?
3. Who do you plan to receive training from? (i.e. specific individual, a society, or team of scientists, etc.)
4. What is the scientific area of focus for your training event?
5. What impact will attending this training event make on your thesis project progression and/or career development?

Updated Spring 2020
Graduate Student Paper of the Season Award Policy
Revised: January 2021

Application Requirements:

f. Student is the 1st author of submitted, peer-reviewed, and accepted paper and abstract. If not, they must demonstrate their significant contribution to the paper.
g. Paper submitted must be an original research manuscript. The committee will accept items such as chart reviews, retrospective analysis, etc. if the information was evaluated in a scientific way using methods, statistics, results, etc.
h. A supporting letter written by a mentor or advisor must be included, indicating significance of the paper and author contribution.
i. Student must not have defended by the award deadline.
j. Application is signed by applicant, advisor, and program director.
k. Student can win only once in their graduate school career.
l. Application is accompanied by a copy of the submitted paper, abstract, supporting letter, and proof that the paper was published within the last 12 months.

Application Process:

f. Students apply for the award by completing an application located in the Graduate Student Association module on Brightspace in the “Paper of the Season Award” folder. It is the student’s responsibility to ensure all portions of the application are complete. A mentor/advisor also has the option to nominate a student. They must submit all application materials to the gradschool@mcw.edu.
g. Completed applications must be submitted to the drop box listed within the “Paper of the Season” folder or emailed to gradschool@mcw.edu before the award deadline. Only completed applications submitted prior to the deadline will be forwarded to the Program Directors for review.
h. The Program Directors will select 1 paper from their program to be submitted to the Awards Committee of the Graduate Studies Council for review.

Awards Committee Review Process:

c. The Awards Committee of the Graduate Studies Council (GSC) will review the application to determine whether or not all criteria have been met. They will then score and vote on a winning paper.
d. The Awards Committee members will communicate via e-mail their decision to the Graduate School (gradschool@mcw.edu) who will in turn email the decision to the applicant, relevant Program Director, and publish it on the GSA website, GSA newsletter, media boards, and Infoscope. The Dean of the Graduate School will also notify MCW leadership of this accomplishment.

Award Amount:

f. There will be no monetary amount given for this award.
PLEASE PROVIDE THE FOLLOWING WITH THIS APPLICATION:

- Abstract showing you are the first author
- Paper showing you are the first author
- Evidence showing paper has been published within the last 12 months
- A supporting letter written by a mentor/advisor involved with the study that speaks to the significance of the study and your contribution

GSA Teacher and Mentor of the Year Award Guidelines

Teacher of the Year is awarded to an instructor who demonstrated exceptional teaching qualities by creating strong connections with students and conveying/imparting knowledge in a meaningful way.

Mentor of the Year is awarded to a mentor who has provided a learning environment throughout a graduate student’s academic career that has driven them to reach their goals in a constructive and supportive way.

Below are the formal guidelines for nominations:

1. Teacher of the Year:
   a. Only current or past degree-seeking graduate students are eligible to nominate candidates for this award.
   b. Nominating students must have taken a class taught by the nominated faculty member.
   c. Nominating students must complete a written application.

2. Mentor of the Year:
   a. Only current or past degree-seeking graduate students are eligible to nominate candidates for this award.
   b. Nominating students must have been mentored directly by the nominated faculty member.
   c. Nominating graduate student must have had a mentor/mentee relationship with the nominee for at least 6 months before being able to make the nomination.
   d. Nominating students must complete a written application.

The Graduate School will send an email to all students with nomination information every March. To nominate a teacher or mentor, students will complete a written application. All submissions will be reviewed and voted on by the GSA Officers and Representatives. Any member of GSA who has nominated their own mentor and/or teacher will remove themselves as a voting member for that award. Applications will be deidentified to the best of our ability to reduce bias by one GSA executive board member who will not vote. The nominations will also be reviewed by the Director of Enrollment in the Graduate School. Awards will be presented by Dr. Misra and the nominating graduate students at the annual GSA All-Student meeting. Awardees will be added to the “Graduate School Teacher Award” and the “Graduate School Mentor Award” plaques displayed on the 3rd floor of the HRC building.
