

Travel Award Application

To apply, please **email the fillable travel award form and current CV to Kim Schroeder** @ kkline@mcw.edu in advance of the following application deadlines:

January 1 (for Summer conferences)

May 1 (for Fall conferences)

September 1 (for Spring conferences)

CBNA Travel Awards help subsidize travel to (inter)national conferences and relevant training courses, increasing trainee exposure, facilitating high-quality training and career networking

Up to six, \$1,250.00 awards, will be made annually (2 in Fall, 2 in spring, 2 in summer conferences) to students in labs whose PI holds a primary or secondary appointment in CBNA.

Priority will be given to students presenting data (poster/research talk) who have not previously received an award, as well as students who have participated in the phone-a-thon for the Friend's Fund. **CBNA must be affiliated on the conference abstract.**

Funds may be used for reimbursement of travel, lodging or registration expenses only.

The only condition for reimbursement is that awardees promote their conference participation and/or presentation by tweeting to CBNA @MCW_CBNA during the conference.

Trainees with F30, F31 or other individual awards should add a note to the abstract field explaining what their discretionary funds have been spent on if not for travel.

Trainees will only be eligible for 1 award in a 12-month period.
