Graduate Student Association Standing Committees

All members of the Graduate Student Association **Representative Council** must serve on at least two standing committees. Committee assignments are finalized before the start of the academic year. Graduate Student Association **Officers** and **Representatives** are responsible for getting in contact with the members of their respective committees and attending all meetings of their committees. **Representative Council** members may be asked to report activities and proposals of their respective committees during the monthly **Representative Council** or Student Leadership Collective meetings.

Descriptions of the Graduate Student Association Committees:

1. Academic Standing and Welfare Committee: This committee is organized and run by the Graduate Studies Council and meets as needed. This committee shall make recommendations to the Graduate Studies Council on matters concerning student welfare and shall guide students on academic probation. This committee shall be comprised of two faculty members elected by the Graduate Faculty (3-year term), two faculty members appointed by the Dean of the School of Graduate Studies (3-year term), and one graduate student member identified by the **Representative Council** (1-year term).
2. Assessment Oversight Committee: This committee is organized to ensure the Medical College of Wisconsin meets the requirements for upcoming accreditation evaluations. This committee is comprised of the President and all the Deans of the Medical College of Wisconsin. The Graduate Student Association **President** serves as the graduate student representative.
3. Awards Committee: This committee is organized and run by the Graduate Studies Council and communicates as needed via email. This committee organizes the annual Teacher and Mentor of the Year awards of the Graduate Student Association and reviews and approves graduate student applications for travel awards. This committee shall also review and award monies for poster submissions at the Annual Poster Session. This committee shall be comprised of three faculty members elected by the Graduate Faculty (3-year term), three faculty members appointed by the Dean of the School of Graduate Studies (3-year term), and one graduate student member identified by the **Representative Council** (1-year term). The **Representative Council** member should maintain communication with the **Treasurer** about Graduate Student Association award monies.
4. Commencement Committee: This committee is organized and run by the President of the Medical College of Wisconsin's Office and meets regularly in person. This committee is responsible for the selection of honorary degree recipients, keynote speakers, and arrangements for ceremonial proceedings for the graduate and medical school commencement ceremonies. The Graduate Student Association **President** serves as the graduate student representative on this committee.

5. Course Evaluation Committee: This committee is organized and run by the Graduate Studies Council and meets a minimum of three times per year. **Officers** or **Representatives** in this committee are required to participate in the evaluation process. This committee shall review course evaluations completed by graduate students at the end of each term. Courses receiving low scores from course evaluations will be further reviewed, and new courses are reviewed by default. This committee is also responsible for triennial course reviews. This committee shall be comprised of four faculty members elected by the Graduate Faculty (3-year term), three faculty members appointed by the Dean of the School of Graduate Studies (3-year term), and one graduate student member identified by the **Representative Council** (1-year term).
6. Curriculum & Program Committee: This committee is organized and run by the Graduate Studies Council and communicates via email. This committee shall review all newly proposed courses and programs (including certificate programs) or major revisions of courses and programs of MCW's School of Graduate Studies. This committee shall recommend to the Graduate Studies Council acceptance, modification, or rejection of proposed courses or programs. Approval by this committee shall be the first step toward accreditation of new courses or programs. This committee shall be comprised of three faculty members elected by the Graduate Faculty (3-year term), three faculty members appointed by the Dean of the School of Graduate Studies (3-year term), and one graduate student member identified by the **Representative Council** (1-year term).
7. Faculty Council: The Faculty Council is the representative governing body of the faculty at the Medical College of Wisconsin. Membership is comprised of a representative from each department and institute, the chairperson of each of the Council's standing committees, the Dean of each academic school, a representative from the Women's Faculty Council, and a representative from the Society of Teaching Scholars. The Faculty Council is charged with improving communication between the faculty and administration at the Medical College of Wisconsin, advising the administration of issues and concerns among the faculty, and, conversely, communicating all administrative directives to the faculty.
8. Faculty IT Committee: This committee provides central leadership and a forum for discussion of global IT issues and IT planning so that all MCW IT constituencies can participate and/or be informed in this process. When this committee deems it appropriate, the recommendation(s) shall contain an analysis of the implications to assist the Faculty Council, the Executive Committee of the Faculty and the Dean in their deliberations. Meetings of this committee are held the fourth Monday of every month at 7:30am. One **Representative Council** member shall serve on this committee.

9. Fundraising Committee: This committee will coordinate fundraising events to support the Graduate Student Conference Education Fund. At least two **Representative Council** members shall serve on this committee, and they shall provide regular updates to **Public Relations** and the **Treasurer**.
10. Graduate Outreach and Recruitment Program: Through this recruitment program, graduate students volunteer to visit local undergraduate institutions (*i.e.*, their Alma Mater) and assist with recruitment events at MCW to discuss their research and advertise/promote the School of Graduate Studies. Travel, food, lodging, and registration, if necessary, are covered by the Graduate School after the student's participation in a recruiting event has been established/confirmed with the Director of Student Recruitment. At least two **Representative Council** members shall serve on this committee, and they will assist in planning visits and recruiting graduate student volunteers.
11. Graduate Studies Council: This committee is composed of the Program and Recruitment Directors from each program within the School of Graduate Studies, the Dean of the School of Graduate Studies, and other members appointed by the Dean. This committee meets at noon on the first Monday of each month. The Graduate Student Association **President** and **Vice President** serve as the graduate student representatives.
12. Library Committee: This committee functions to serve as a liaison between the library staff, MCW Administration, and the faculty and students of MCW. This committee advises on budget development and implementation, library policies, library computer services, implementation of plans developed by the Strategic Library Council, and promotion of library use to faculty, students, patients, and community members. This committee meets six times per year. One **Representative Council** member, who also serves on the Student Leadership Collective's Facilities subcommittee shall serve on this committee.
13. Program Evaluation Committee: This committee is organized and run by the Graduate Studies Council and meets as needed. This committee shall review appropriate criteria and metrics of program evaluation and shall periodically evaluate all programs of the School of Graduate Studies. The chair of this committee will report the results of each review to the Dean of the School of Graduate Studies and to the Graduate Studies Council. This committee shall be comprised of three faculty members elected by the Graduate Faculty (3-year term), three faculty members appointed by the Dean of the School of Graduate Studies (3-year term), and one graduate student member identified by the **Representative Council** (1-year term).
14. Research Affairs Committee: This committee conducts scientific peer review of research proposals for Faculty Institutional Grants. This committee helps organize and evaluate basic science and clinical research for presentation at the annual Research Day. This committee serves as a review and advisory

board on matters concerning research ethics and scientific conduct and helps formulate policy and guidelines on research matters. Meetings are held as needed based on the grant deadlines in April/October. One **Representative Council** member serves on this committee. While the **Representative** is not allowed to vote on the internal grants reviewed, they may provide comments and suggestions as a member of this committee.

15. Social Committee: This committee organizes most of the social events that are sponsored by the Graduate Student Association throughout the year, including working with the Fundraising Committee for coordinating fundraising events. Members of this committee will work closely with the Graduate Student Association **Public Relations** and **Treasurer**, the Graduate School Office, and the MCW Business Manager to coordinate activities and arrange finances. At least three **Representative Council** members shall serve on this committee.
16. Spotlight on Science Committee: This committee is funded by the School of Graduate Studies and is led by the Assistant Dean of Postdoctoral Education. This committee meets as needed to choose topics and speakers for the Spotlight on Science seminar series, including the biannual Responsible Conduct of Research, RCR, Refreshers. Three **Representative Council** members typically serve on this committee.
17. Symposium Committee: This committee will plan and coordinate the Annual Graduate Student Association Symposium, which takes place in the Spring, with support from the Graduate School Office. At least three **Representative Council** members shall serve on this committee.
18. Travel Award Policy Committee: This committee will review and modify all travel award policies and applications to serve graduate students better and more fairly. Members of this committee will also be responsible for helping organize any requirements related to the Graduate Student Association travel awards (*i.e.*, volunteer opportunities or presentations). This committee will consist of the **Treasurer**, an Awards Committee representative, and any other **Representative Council** member interested in this committee.
