MAKE METRO MILWAUKEE YOUR HOME

The metropolitan Milwaukee area offers exciting urban amenities such as the Milwaukee Brewers and Milwaukee Bucks sports teams, a world-class art museum, abundant award-winning fine dining, a diverse performing arts scene, and the world’s largest outdoor music festival on the shores of beautiful Lake Michigan. It is also home to dozens of safe and family-friendly neighborhoods, including lovely tree-lined Wauwatosa, where MCW-Milwaukee is located, directly in the center of the metro region. You’ll enjoy living and learning among a diverse population and building friendships through more than 60 diverse student groups available on campus.

BLENDING CLASSROOM LEARNING WITH CLINICAL EXPERIENCE STARTING IN YOUR FIRST YEAR

Our student experience balances the latest technology and team-based learning models with more than a century of rich medical education traditions. MCW-Milwaukee’s four-year Discovery curriculum is ideal if you wish to explore several types of medicine before deciding what you ultimately want to practice, and if you want to experience multiple elective rotations and internships. We offer Scholarly Pathways that enable you to individualize your medical training while exploring a path that interests you. These include:

**MCW-MILWAUKEE’S SCHOLARLY PATHWAYS**

- **BIOETHICS**
- **CLINICAL & TRANSLATIONAL RESEARCH**
- **CLINICIAN EDUCATOR**
- **GLOBAL HEALTH**
- **HEALTH SYSTEMS MANAGEMENT & POLICY**
- **MOLECULAR & CELLULAR RESEARCH**
- **QUALITY IMPROVEMENT & PATIENT SAFETY**
- **URBAN & COMMUNITY HEALTH**

**CLINICAL PARTNERS:**

- Froedtert Hospital
- Froedtert & the Medical College of Wisconsin Clinics
- Children’s Hospital of Wisconsin
- Zablocki VA Medical Center
