

Application accepted from  
**Aug 1**  
to  
**Nov 1**

# Are you interested in becoming a doctor?

## What is AMP?

The Advocates in Medicine Pathway (AMP) program will support the professional development of individuals from Wisconsin interested in attending medical school at the Medical College of Wisconsin – Central Wisconsin to promote a diverse future healthcare workforce built around resilience, relationships and system-based knowledge. The program will run from January through July.

For more info visit <https://bit.ly/AMPMCW>

To apply, use the QR code below or visit <https://bit.ly/AMP2023>

## What are the qualifications?

- Students must:
- Have a high interest in attending medical school
  - Attend or plan to enroll for the virtual 1-credit "HPW 299: Wicked Problems in Medicine" course at UW-Stevens Point in Wausau
  - Preference will be given to individuals underrepresented in medicine, particularly from Hmong and rural backgrounds.

**Program benefits:**  
Participants will receive:

- Guidance and experience in building a competitive medical application
- Paid summer community health internship in the WI AHEC CHIP Program
