

# INTERESTED IN BECOMING A FAMILY DOCTOR?

AMP is recruiting our 2nd Cohort

## What is AMP?

The Advocates in Medicine Pathway (AMP) program will support the professional development of undergraduates from Wisconsin interested in attending medical school at the Medical College of Wisconsin - Central Wisconsin to promote a diverse future healthcare workforce built around resilience, relationships and system-based knowledge. The program cohort runs from January through May, with students attending the 1-credit "Wicked Problems in Medicine: Opioids" course every other Wednesday evening. Community based experiential learning and advising sessions will be held on opposite Wednesday evenings. Students participate in a full-time paid community health internship in June and July.

## Contact

Sheng Khang  
Education and Outreach Coordinator  
skhang@nahec-wi.org | 715-301-3269
