

Department of Cell Biology, Neurobiology & Anatomy

Presents

*Hiram Benjamin Lecture in Cell Biology & Anatomy*

**Sally Temple, PhD**

Scientific Director & Principal Investigator  
Neural Stem Cell Institute  
Regenerative Research Foundation

**“Stem Cell-based Approaches to Age-related  
Neurodegenerative Disease”**

**Note Room  
& Time**

Wednesday, October 24, 2018  
11:00 AM  
Alumni Center

Host: Allison Ebert

You are invited to attend. Lunch reception to follow.
